"Be on your guard; stand firm in the faith; be courageous; be strong. Do everything in love."
-1 Corinthians 16: 13-14

Have you ever wondered what it means to be brave? We have plenty of examples of bravery in movies, video games, books, and real-life examples too. Yet, our world has contradictory messages on bravery. On one hand, students are encouraged to live confidently and make choices that are brave. On the other, students hear messages of worry, doubt, and fear. So, what does it mean to be brave?

God calls believers to a better way of understanding life and living in our world. Our lives can be radically changed when we live knowing God is in control and God is at work around us. We can grow strongly rooted faith, choose to live courageously, gather our strength from God, and let love permeate all we do.
