**Camper & Check Register:** The attached form helps streamline the registration process for churches. We recommend churches have a "registration party," where you gather registration information for all campers wanting to attend any camps in the summer. Write one check from your church and send it along with all your campers' registration forms and health forms to the address above.

Please mail in with registration forms and health forms  
for all campers listed below.

This form may be copied as many times as necessary.
